

## **NATIONAL REMEMBRANCE OF SEPTEMBER 11**

September 11, 2011

Today marks the tenth anniversary of September 11, 2001. Many members of Theta Nu Xi Multicultural Sorority, Inc. may remember just having returned from the Washington, DC convention and being terrified at the possibilities, while our sorors in New York and the surrounding areas were left reeling in the face of a very present and life-changing tragedy.

Each year, Theta Nu Xi remembers all the families whose lives have been affected as well as the heroes who emerged from this terrible day. In this, the tenth anniversary year of September 11, the National Board of Theta Nu Xi has sought to illustrate the Sorority's commitment to peace, understanding and equality by making a contribution to the National September 11 Memorial and Museum in New York City.

Following a 72-hour internal donation drive, members of Theta Nu Xi collectively raised over \$700 to donate on behalf of the Sorority. Through the generosity of members across the country, the Sorority is privileged to announce that Theta Nu Xi will be sponsoring a cobblestone on the Memorial Glade, a special clearing at the Memorial designated for gatherings and ceremonies.

As a sisterhood, we acknowledge that every little bit counts toward rebuilding our skyscrapers, our lives and our hope as Americans and friends of America. Beyond our financial contribution, Theta Nu Xi remains fully committed to promoting multiculturalism and fostering acceptance.

The National Board is pleased to recognize the following Theta Nu Xi members who participated in our donation drive:
